

THI SARCHI VEAVAI LABELI NJAPANESESTOP

1. These humans have been lighted from using lightbulb with gem. They are test objects. A scientist tries to keep track of them, by any means. Their lives are not free. What would they do?

GEMS
CANSWI THOUTLABELS

1. His dad bought a number of cans. Nothing inside these is edible. He had to ask someone to give them carrots. They had to make carrot soup with carrot and water.
